* an example of a typical week with Pathway Esports implemented in the bell schedule

Coach-Led Practice: Breakdown

Key Points

- Time for a classroom to meet with a professional coach
- Coach Leads:
 - Focused Gameplay Lessons
 - General Practice
 - Low-stakes PUGs (Pick-Up-Game)
- Establish good practice habits
 - Stretching & Hydration
 - Reflection
- On campus or remote

Not Just Gaming: Benefits of Pathway Esports

- ✓ A non-contact sport that generates revenue, scholarships, and careers
- ✓ Growing communities, including students that wouldn't normally participate in team sports
- ✓ Student engagement like you've never seen before in a variety of fields, like entrepreneurship, broadcasting, marketing, and social media
- ✓ Young adults developing work ethic and leadership skills to bring pride to your program and themselves

* On average, Pathway Esports students will spend 55 hours each semester on SEL, Projects, and Lectures
