

ACADEMIC ESPORTS CLUBS

**Out-of-the-box FUN for your
STEM, Afterschool & Saturday Programs.**

PATHWAY ESPORTS FORTNITE CLUB

Designed for students who want to “up their game”, this intensive club provides the pathways, tools, tips, and detailed in-game techniques that top Fortnite players use to win tournaments, procure sponsors, and earn followers.

PATHWAY ESPORTS OVERWATCH CLUB

Calling all heroes! Created by expert Overwatch coaches exclusively for Mastery Coding, this intensive club provides guided instruction, strategies, tips, and detailed in-game techniques that top Overwatch players use to play and win as a team.

PATHWAY ESPORTS ROCKET LEAGUE CLUB

This fast-paced and action filled club is designed for students looking to take their skills to the next level, and have a lot of fun in the process. Combining engaging gameplay with critical thinking workshops gives students the opportunity to learn new concepts, master in-game techniques, and improve overall team strategy and coordination.

TACTICS, TIPS & TRICKS AMONG US CLUB

Designed by Among Us experts and combining engaging gameplay with critical thinking workshops, this club teaches students how to be better impostors and crewmates. Our Among Us club also serves as an opportunity to learn about healthy gaming habits, computer science concepts, and how to use logic and teamwork to win in either role.

SOCIETYCRAFT MINECRAFT CIVILIZATION CLUB

Created for Minecraft enthusiasts and new players alike, this comprehensive club gives students the opportunity to work together to create a functioning Minecraft society, highlighting key moments in the history of civilization, and the importance of leading and inspiring others to accomplish a common goal.

BENEFITS OF OUR CLUBS

- ✓ **Game-and-Learn™** philosophy: Uses gaming as a tool for engagement and deep learning
- ✓ Emphasis on **social-emotional learning** to shape healthy students and gamers
- ✓ **STEM Connections:** Workforce opportunities in emerging technologies
- ✓ Builds collaboration, cooperation, communication, and critical thinking skills
- ✓ Inclusive programs for all skill levels
