REFERENCE SHEET - Launch Code: AP117

The screenshot displays the Mimbus Food interface. At the top, there are navigation icons: a back arrow, a user profile icon, a puzzle piece icon, a clipboard icon, and a double arrow icon. On the right side, there are control icons: a double arrow, a gear, and a power button. The main content area is divided into two sections. The left section, titled "Chicken", shows a white outline of a chicken. Below it, a dashed orange box contains a "Chicken Full" model, which is a solid orange chicken. The right section, titled "Duck", shows a white outline of a duck. Below it, a dashed orange box contains five duck cut options: "Duck Full (Variant)", "Fillet", "Wing & Strip", "Thigh", and "Duck Full". Each cut option is represented by a solid orange duck model with specific parts highlighted in white.
