

Quick Launch Codes Experiences

zSpace Experiences

Experience	Launch Code
Ants! Activity: Introduction Activity: Foraging for Food Activity: Pheromones	E448
Beach and River Erosion	E411
Changing Energy	E425
Dropping Objects	E413
Energy, Speed, and Collisions	E415
Experiencing Rain	E422
Exploring Anatomy Activity: Circulatory System Activity: Digestive System Activity: Excretory System Activity: Nervous System Activity: Respiratory System	E452

Experience	Launch Code
Exploring Beach and River Erosion Activity: Preventing Erosion Activity: Shaping the Shore Activity: Power of Water	E412
Exploring Desert Habitat Activity: Survival Needs Activity: Design Challenge	E446
Exploring Fish Structure and Function Activity: Survival Advantage	E440
Exploring Fossils and the Changing Environment Activity: Diversity Activity: Fossil Record and Empirical Evidence	E455
Exploring Geometry Activity: Changes in Volume	E453
Exploring Human Response to the Flu Activity: Homeostasis Activity: Staying Healthy	E444
Exploring Lab Skills	E443

Quick Launch Codes Experiences

Experience	Launch Code
Exploring Motion and Collisions Activity: Graphing Activity: Designing a Solution - Middle School Activity: Designing a Solution - High School	E441
Exploring Newton's Cradle Activity: Graphing Energy Activity: Conservation of Energy	E442
Exploring Plants Activity: Plant Structures and Functions Activity: Plant Photosynthesis and Respiration Activity: Plant Reproduction Activity: Plant Nutrition	E426
Exploring Predator-Prey Relationships Activity: Stimuli Response Activity: Group Behavior Activity: Using Sound and Vibration	E445
Exploring Rocks and the Changing Earth Activity: Rock Formation Activity: Land Features	E439

Experience	Launch Code
Exploring the Solar System Activity: Comparing Planets Activity: Moon Phases Activity: Patterns of the Sun, Moon, and Stars Activity: Seasons	E434
Exploring Water Activity: Where is Water Found? Activity: Human Impacts	E447
Fish Structure and Function	E410
Force, Momentum, and Collisions	E416
Fossils and the Changing Environment	E454
Global Water Distribution and Water Cycle	E438
Global Water Distribution	E450
How Animals Use Their Senses	E414
Human Response to the Flu	E436

Experience	Launch Code
Martian Math	E456
Motion of Earth's Plates	E423
Newton's Cradle	E417
Newton's Cradle - Analytical	E418
Rocks and the Changing Earth	E449
Sea and Land Breezes	E421
Structure and Function of Desert Organisms	E419
Testing for the Flu	E435
Water Cycle	E451
Weathering - Freeze and Thaw	E420
What is Energy?	E424
