# 1. Introduction

This document is the Quick User Guide of the pedagogical online platform VULCAN.

*Identification, Interface and browsing*

To access VULCAN, launch your web browser and insert the URL: <https://myvulcan.mimbus.com>.

Insert your center identifier (8-digit code given with the license), as well as your e-mail address and password.

**Login**

Center ID\*  
12345678

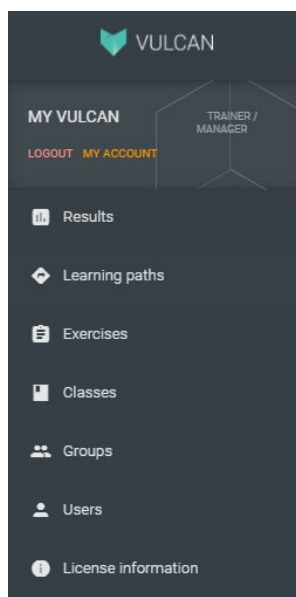

Login\*  
vulcan@mimbus.com

Password\*  
\*\*\*\*\*

**SUBMIT**

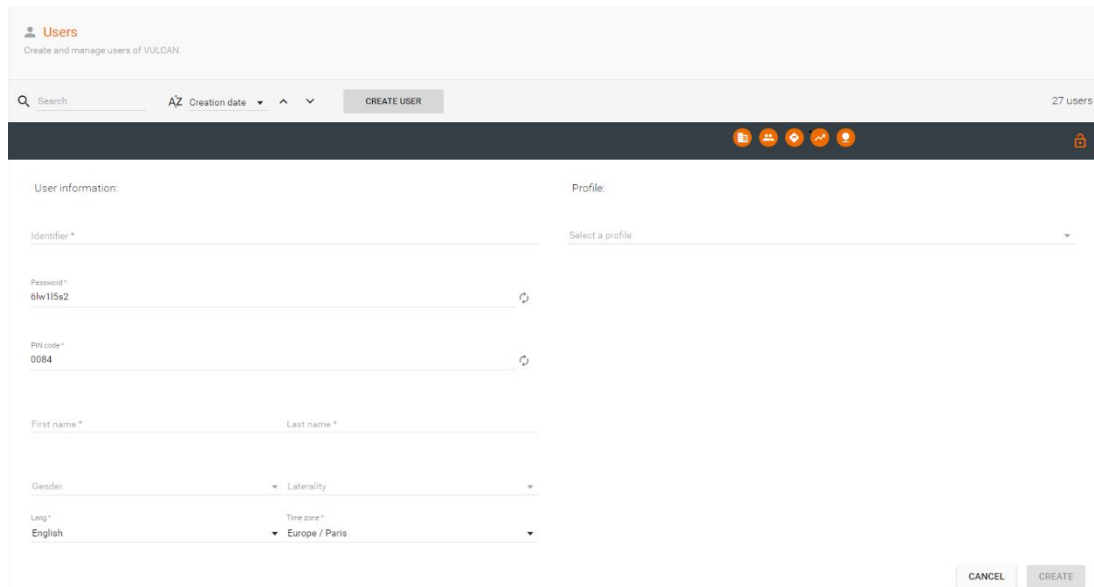

[Forgot password ?](#)

Once connected to the VULCAN platform, a navigation bar appears on the left side of the screen

## 2. Users

A user is created by clicking on the "Create a user" button, which is in the toolbar above the users list.

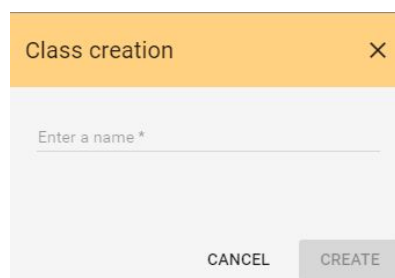

The screenshot shows the 'Users' management interface. At the top, there is a header with the title 'Users' and the subtitle 'Create and manage users of VULCAN'. Below the header is a toolbar with a search bar, a dropdown menu for 'AZ Creation date', and a 'CREATE USER' button. The main content area is divided into two columns: 'User information' and 'Profile'. The 'User information' column contains fields for 'Identifier \*', 'Password \*' (with a strength indicator), 'PIN code \*', 'First name \*', 'Last name \*', 'Gender', 'Laterality', 'Lang' (set to 'English'), and 'Time zone \*' (set to 'Europe / Paris'). The 'Profile' column contains a dropdown menu labeled 'Select a profile'. At the bottom right of the form, there are 'CANCEL' and 'CREATE' buttons.

Fill in the different information of the user:

Identifier, first name, Last name, Gender, Laterality (Left-handed/Right-handed), Language, Time zone and select a profile (Manager, Trainer, Trainee).

## 3. Classes

To create a new class, click on the button "Create a class" in the toolbar, then insert the name of the new class in the dialog box.

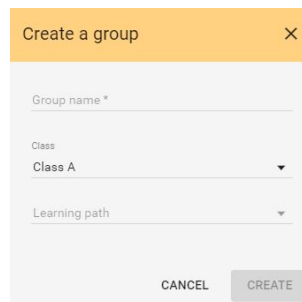

The screenshot shows a dialog box titled 'Class creation' with a close button (X) in the top right corner. The dialog box contains a text input field with the placeholder text 'Enter a name \*'. At the bottom of the dialog box, there are 'CANCEL' and 'CREATE' buttons.

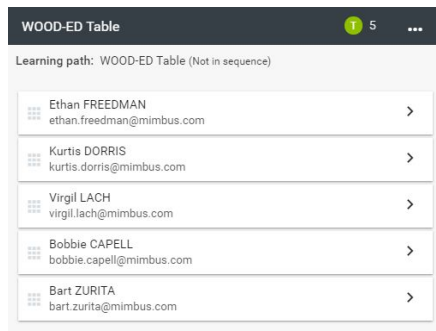

Default groups are then created and associated to this new class.

## 4. Groups

To create a group, click on the "Create a group" button and create the name of the new group in the dialog box, then select the class in which it will be created, as well as the pedagogical path to which it will be related:

To modify a group, click on the contextual menu  then click on the "Modify" option:

5.

## 6. Managing exercises

The creation of an exercise is done through the copy of an existing exercise.

 indicates that this is a default exercise

 indicates the difficulty level

 90% indicates the minimal score to obtain to validate the exercise;

 4 indicates the number of phases (here, 4 phases) that compose the exercise;

 01:20:00 indicates the maximal duration of the exercise

# 7. Learning Path

Pedagogical paths represent a sequence of exercises that trainees belonging to a group must carry out.

✓ indicates a default pedagogical path

🔒 indicates, that exercises of the pedagogical path must be validated by the trainees

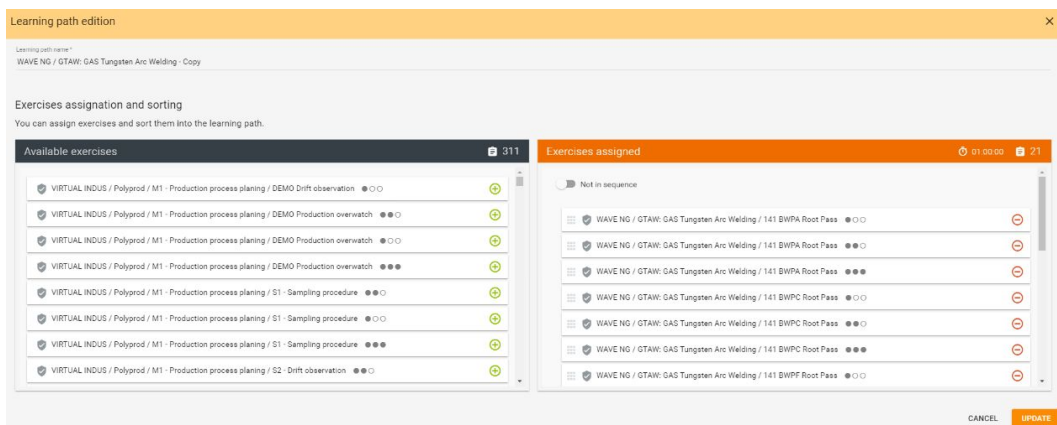

📄 8 indicates the number of exercises included in the pedagogical path

🕒 01:20:00 indicates the maximum duration of the pedagogical path.

Display the list of exercises included in the path:

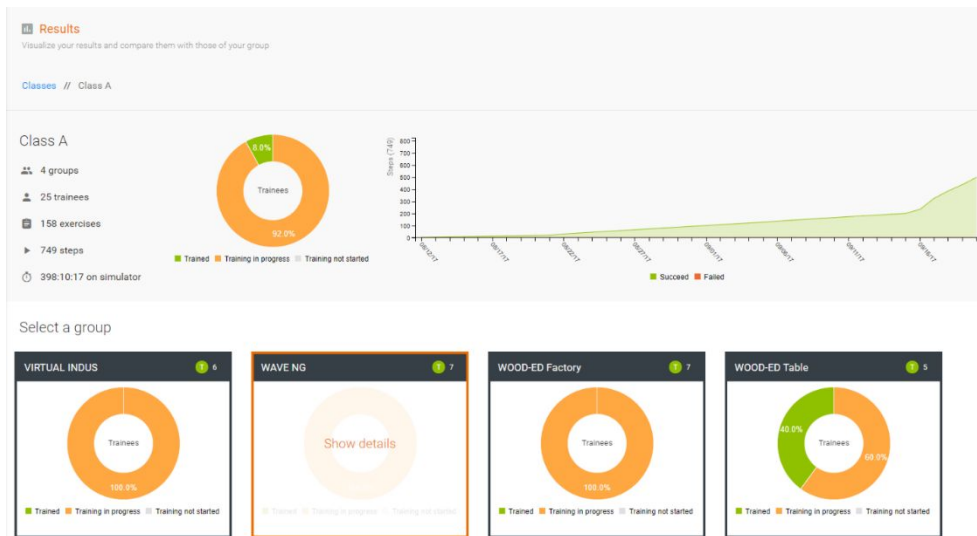

To modify a pedagogical path, open the contextual menu of the chosen path by clicking on the **⋮** button located on the right side of the element from the list, and click on the option "Modify".

# 8. Results section

This section allows reviewing global results of the trainees, united in groups or classes, and analyzing their progress individually or compared to the class. The Trainee can only check his own results.

To display the detail of a trainee's progress, click on his name in the list of trainees of a group.
